World Day of the Poor

In his message for the 2024 World Day of the Poor, Pope Francis noted that war-driven “bad politics” generates new poverty and innocent victims. He urged everyone to pray with and for the poor, and highlighted that volunteers continue to devote themselves to serving the poorest in our cities, embodying God’s response to the cries of those in need.

Reflection....

Strengthened by our hope and trust in the Lord Jesus, let us approach the sacrament of the Eucharist- the very source and summit of the Church’s life with great zeal. In order that we will be inspired to cooperate with God’s grace to become truly ready for his second coming. May our blessed Mother Mary teach us how to love selflessly and to give without counting the cost, and to truly cultivate a personal relationship with her Son, who desire that we reign with Him in glory at the end of time.

Prayer

Lord, as we keep World Day of the Poor,
help us all turn to those outside our door, to bless, heal and comfort them.
Help us to build a world together, where the poor are strangers to none, and the very chains of poverty are broken.

Amen
